BizE Turtle:Events in Monmouth Newsletter

Monday, November
10-Sunday, November 16

Greetings!

I almost didn't get this newsletter out.
Friday, I started having trouble with my monitor
Borrowed one from my brother It is a dinosaur and couldn't carry it in to my
apt
Friend came over with another one, not as large
It didn't work.
Took my monitor and my computer to be looked at. The problem was not my
computer, but my monitor.
The first one which is now hooked up is on temporary loan
I had to wait for my beautiful strong son to come in and carry the dinsoaur
in for me.

Anyone have a monitor that don't need????
