### Could you help Holiday Express?

Walmart is selling Crayola Crayons for 25 cents per box...limit 50 boxes per person

Crayons are always such a nice addition to our kids gift bags. A lot of the places we visit request coloring books and crayons. For \$12.50 you could make a big impact towards our crayon inventory.

If you are able to get to a Walmart and purchase some crayons for us you can then drop them off at the warehouse:  
968 Shrewsbury Avenue  
Tinton Falls, NJ 07724  
732-544-8010

We truly appreciate your help!  
Sincerely,  
Amy Robinson

Love Peace & Happiness,
